

Johnny Cash "Waiting For A Train"

All around the water tank waitin' for a train
A thousand miles away from home sleeping in the rain
I walked up to a brakeman just to give him a line of talk
He said if you've got money I'll see that you don't walk
Well I haven't got a nickel not a penny can I show
He said get off you railroad bum and he slammed the
boxcar door

[Piano instrumental]

Well he put me off in Texas a place I dearly love
The wide open spaces all around me the moon and
stars above
Nobody seems to want me nor to lend me a helping
hand
I'm on my way from Frisco headin' back to Dixie Land
My pocketbook is empty my heart is willed with pain
I'm a thousand miles away from home just waitin' for a
train
