In the rattle of the battle, came a whisper soft and low
From a soldier who'd been wounded in the fray
"I am dying, Captain, dying and I pray before I go
You will give your promise here I pass away"

Do not ask me dear to linger, for I know not what to say
When duty calls, just sweetheart's name in vain
I hope your heart will not be crying, if I'm not among
the dying
I'll be with you when the roses bloom again

Yes, when the roses bloom again, beside the river
And the Robin Redbreast sings it's sweet refrain
As in days of Old Lang Syne, I'll be with you sweetheart
mine
I'll be with you when the roses bloom again

Do not ask me dear to linger, for I know not what to say
When duty calls, just sweetheart's name in vain
I hope your heart will not be crying if I not among the
dying
I'll be with you when the roses bloom again

When the roses bloom again beside the river
And the Robin Redbreast sings it's sweet refrain
As in days of Old Lang Syne, I'll be with you sweetheart
mine
I'll be with you when the roses bloom again
