On the road again
I just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again

On the road again
Goin' places that I've never been
Seein' things that I may never see again
And I can't wait to get on the road again

Here we go, on the road again
Like a band of Gypsies we go down the highway
We're the best of friends
Insisting that the world keep turnin' our way

And our way is on the road again
I just can't wait to get on the road again
The life I love is makin' music with my friends
And I can't wait to get on the road again, break free
And I can't wait to get on the road again
