Oh, oh, oh, oh, yeah, oh, oh, oh, oh, yeah
Ho ho, oh, ho ho, oh. Aahh aahhh

None shall escape the judgement in this time
These words I sing to all mankind
None shall escape the judgement in this time
These words I sing to all mankind

Arise Black man, Jahovah has come
Forwarding to Babylon
To declare equal rights and justice
Among the heathen

Yes, the weakheart must fall
Only the righteous shall stand
In this congregation of Jah hola one
Anything Jah say, I will always do
Anything Jah say, I will always do
Because I love him, ho ho
Because I love him

I'll love him, I'll serve him
All the days of I life
In the house of the Lord God Jah RasTafari
I'll love him, I'll serve him
All the days of I life
In the house of the Lord God Jah RasTafari
Ho ho, oh ohhh

As I approach the gates of Zion
I can hear the choir singing
As I approach the gates of Zion
I can hear the choir singing

I'll love him, I'll serve him
All the days of I life
In the house of the Lord God Jah RasTafari
I'll love him, I'll serve him
All the days of I life
In the house of the Lord God Jah RasTafari

I'll love him, I'll serve him, ho ho, oh yeah
None shall escape the judgement in this time
These words I sing to all mankind
None shall escape the judgement in this time...
