None shall escape the judgment in this time  
These words I sing to all mankind  
None shall escape the judgment in this time  
These words I sing to all mankind

Arise black man, Jehovah has come  
Forwarding to Babylon  
To declare equal rights and justice  
Among the heathen

Yes, the weak heart must fall  
Only the righteous shall stand  
In this congregation of Jah hola one  
Anything Jah say, I will always do  
Anything Jah say, I will always do

Because I love him, because I love him  
I'll love Him, I'll serve Him  
All the days of I life  
In the house of the Lord God Jah RasTafari

I'll love Him, I'll serve Him  
All the days of I life  
In the house of the Lord God Jah RasTafari

As I approach the gates of Zion  
I can hear the choir singing  
As I approach the gates of Zion  
I can hear the choir singing

I'll love Him, I'll serve Him  
All the days of I life  
In the house of the Lord God Jah RasTafari

I'll love Him, I'll serve Him  
All the days of I life  
In the house of the Lord God Jah RasTafari  
I'll love Him, I'll serve Him

None shall escape the judgment in this time  
These words I sing to all mankind  
None shall escape the judgment in this time

These words I sing to all mankind
