One day I looked up and there you were,  
like a simple question looking for an answer.  
Now I am the whale listening to some inner call,  
swimming blindly to throw myself upon your shore.

What if I don't find you when I have landed?  
Will you leave me here to die on your shore stranded?

I think I know why the dog howls at the moon.  
I think I know why the dog howls at the moon.

I sing dela, dela nyanya dela when I'm with you,  
dela, sondela mama sondela, I burn for you.

I've been waiting for you all my life hoping for a  
miracle,  
I've been waiting day and night, day and night.  
I've been waiting for you all my life waiting for  
redemption,  
I've been waiting day and night, I burn for you.

A blind bird sings inside the cage that is my heart,  
the image of your face comes to me when I am alone in  
the dark.  
If I could give a shape to this ache that I have for you,  
If I could find the voice that says the words to capture  
you.

I think I know, I think I know, I think I know,  
I think I know why the dog howls at the moon.  
I think I know why the dog howls at the moon.

I sing dela, dela nyanya dela when I'm with you,  
dela, sondela mama sondela, I burn for you.

I've been waiting for you all my life hoping for a  
miracle,  
I've been waiting day and night, day and night.  
I've been waiting for you all my life waiting for  
redemption,  
I've been waiting day and night, I burn for you.

Sondela, sondela, mama sondela, I burn for you.

I've been waiting for you all my life hoping for a miracle,

I've been waiting day and night, day and night.

I've been waiting for you all my life waiting for redemption,

I've been waiting day and night, I burn for you.

Burn for you, I burn for you...
