Guka 'mzimba (body grow old)  
Sala 'nhliziyo (but heart remain behind)  
Missing  
Burning tyres on the freeway  
Noone in sight  
Thre's a raging calm  
Across the land tonight  
Voice on the radio says  
Another one's down tonight.  
It don't matter anymore  
Which side he's on.  
Came to your place to see  
If you're all right  
And the shadows  
Danced across the stairway  
Flight after flight  
And I was banging at your door  
But you weren't there anymore  
And the G-man stepped  
Into the light and said  
"This is war!"

Chorus
