Guka 'mzimba (body grow old)
Sala 'nhliziyo (but heart remain behind)
Missing
Burning tyres on the freeway
Noone in sight
Thre's a raging calm
Across the land tonight
Voice on the radio says
Another one's down tonight.
It don't matter anymore
Which side he's on.
Came to your place to see
If you're all right
And the shadows
Danced across the stairway
Flight after flight
And I was banging at your door
But you weren't there anymore
And the G-man stepped
Into the light and said
"This is war!"

Chorus
