Chorus

Siyayibamba siyayilanda

Ngithibamba siyayilanda

Sithibamba siyayilanda

Fetch it siyayilanda

(we are fetching our future, grabbing our tomorrow)

Repeat

Human figures in a dream

Heard them singing -- siyayilanda (we are fetching it)

You've got to get up

And carry on sing this song -- siyayilanda

There's a mean machine

Tear the bone clean, tell you

Where I've been -- siyayilanda

Eat, sleep on your feet

You're going to speak -- siyayilanda

Chorus

A falling star in the night

Comfort the weeper -- siyayilanda

You turn to the left and you turn to the right,

Losers, keepers -- siyayilanda

Hold me close I'm trapped in

A night of seasons -- siyayilanda

A new sun rising up ahead

Coming your way -- siyayilanda

Chorus

I can feel it in the air

My day is coming nearer

My day's a little nearer
