You got to wash with the crocodile in the river  
You got to swim with the sharks in the sea  
You got to live with the crooked politician  
Trush those things that you can never see  
Ayeye ayeye jesse mfana (jesse boy) ayeye ayeye (x2)

You got to trust your lover when you go away,  
Keep on believeing tomorrow brings a better day.  
Sometimes you smile while you'r cryin' inside,  
Just once you'll turn away while the truth be shinin'  
bright.  
Ayeye ayeye jesse mfana ayeye ayeye (x2)

Chorus:  
It's a cruel crazy beautiful world  
Every (day first and third chorus)(time second Chorus)  
you wake up I hope it's under a blue sky.  
It's a cruel crazy beautiful world  
One day when you wake up I will have to say goodbye  
Say goodbye -- It's your world so live in it! Goodbye  
(first-third chorus only). It's your world so live in it!(x11)

Beyond the door, strange cruel beautiful years are  
waiting for you  
It kills me to know you won't escape loneliness,  
Maybe you lose hope too  
Ayeye ayeye jesse mfana ayeye ayeye (x2)

Chorus

When I hold your small body close to mine  
I feel weak and strong at the same time  
So few years to give you wings to fly  
Show you stars to guide your ship by

It's your world so live in it
