One day i looked up and there you were  
Like a simple question looking for an answer  
Now i am a whale listening to some inner call  
Swimming blindly to throw myself upon your shores  
What if i don't find when i have landed  
Would you leave me here to die on your shores  
stranded?  
I think i know why the dog howls at the moon.  
I think i know why the dog howls at the moon.

I say:  
"dela! dela! ngiyadela!

When i am with you!  
Dela! sondela mama! sondela!

I burn for you!  
I've been waiting for you all my life  
Hoping for a miracle  
I've been waiting day and night, day and night  
I've been waiting for you all my life  
Waiting for redemption  
I've been waiting day and night  
I burn for you

A blind bird sings inside the cage that is my heart  
And the image of your face comes to me when i'm  
alone in the dark  
If i could give a shape to this ache that i have for you  
If i could find the voice that says the words that capture  
you  
I think i know, i think i know  
I think i know why the dog howls at the moon.  
I think i know why the dog howls at the moon.

I say:  
"dela! dela! ngiyadela!

When i am with you!  
Dela! sondela mama! sondela!

I burn for you!

I've been waiting for you all my life  
Hoping for a miracle  
I've been waiting day and night, day and night  
I've been waiting for you all my life  
Waiting for redemption  
I've been waiting day and night

Sondela! sondela mama! sondela!  
I burn for you

I've been waiting for you all my life  
Hoping for a miracle  
I've been waiting day and night, day and night  
I've been waiting for you all my life  
Waiting for redemption  
I've been waiting day and night  
I burn for you

I burn for you  
Burn for you  
I burn for you  
Burn for you  
I burn for you  
Burn for you  
I burn for you  
Burn for you.
