Visit "[Emotional Allegiance](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I don't want to be a tourist in your heart  
I don't want to visit someone else's ruins  
Don't want a day trip to the feelings in the dark  
Don't want a quick-fix honeymoon

We need emotional allegiance  
Devotional love  
A living promise  
Like in the story of Ram

Raghupati Raghava Raja Ram  
Patite Pavana Sita Ram  
Stand by me, feel the sun  
Emotional allegiance, divine love

There's a change in the weather and a hole in the sky  
Snow in the summer and the rivers run dry  
Who will guard your fragile dreams of rain  
When your heart is tired of day trippers  
And nobody stays

We need emotional allegiance  
Devotional love  
A living promise  
Like in the story of Ram

Raghupati Raghava Raja Ram  
Patite Pavana Sita Ram  
Stand by me, feel the sun  
Emotional allegiance, divine love
