(CHORUS)

Daydreams
Dreaming all the time
Scheming for the time
I can make you mine
Daydreams
Night time too
All I do is dream of you

When I'm alone
I close my eyes
You're always standing there

I can see your face
I can hear your sighs
I'm never lonely
But they're only

(CHORUS)

I can see you now
A vision clear
A white wedding gown
That you wear

Then you start to say
The words I wanna hear
They're never spoken
But I keep hoping

(CHORUS)

All I do is dream of you
All I do is dream of you
All I do is dream of you
