Dum dum dee dum
Dum dum dee dum
Dum dum dee dum...

My baby used to treat me good
She loved me just the way she should
Now she's growing colder
And when I try to hold her
She starts to hum (dum dum dee dum)

Sometimes she stays away a week
Won't listen when I try to speak
I tell her how I miss her
But when I try to kiss her
She starts to hum (dum dum dee dum)

She says, I'd marry her
If I really cared
But I'm too young
And I'm too scared

I was doing fine til the spring
When the wedding bells began to ring

She hums that tune each time we dance
Her fella just ain't got a chance
But lately, the melody
Is sure sounding good to me
Dum dum dee dum (dum dum dee dum)

Dum dum dee dum
Dum dum dee dum
Dum dum dee dum...

She hums that tune each time we dance
Her fella just ain't got a chance
But lately, the melody
Is sure sounding good to me
(Dum dum dee dum) dum dum dee dum
(Dum dum dee dum) dum dum dee dum

Dum dum dee dum

Dum dum dee dum
Dum dum dee dum...
