I dreamed I was in teenage heaven
I saw all the stars in teenage heaven

There was a golden door
With a golden star
And I walked on through
And there were all the
Teenage stars we knew

There was Richie Valens
Singing, Donna, I love you
Next to him, Buddy Holly
Wuh oh, Peggy Sue

Eddie Cochran
Sang Summertime Blues
Into the golden mic
And the Big Bopper
With his laughing face said
You know what I like

On the movie scene
I saw James Dean
Well, what can I say

Then an angel led me
Through a door marked
A hundred tears from today

There was Ricky Nelson
Singing Lonesome Town
And all the stars then
Gathered round

Bobby Vee, Brenda Lee
And Fabian too
Connie Francis, Neil Sedaka
And the Fleetwoods sang Mr. Blue

And there was Elvis in a suit of gold
Singing at his very best
Love Me Tender, Don't Be Cruel

And you know all the rest

And as I left teenage heaven
Duane played his guitar
And I heard them call the roll
And the names were teenage stars

Bobby Darin, Chubby Checker
Dion, Dee Dee Sharp
The Everly Brothers, Bobby Rydell
Frankie Avalon, Little Eva
The Shirelles...
