Let the kiddies have the toys  
Let the grown-ups make the noise  
Give the neighbors all the presents  
Under the tree

Give the snow and mistletoe  
To the ones who love them so  
But you'll be quiet enough  
For me

When old Santa rides his sleigh  
He can please me right away  
With a present that forever will be new  
Tell him my poor heart will sink  
[Incomprehensible]  
For all I want for Christmas is you

When old Santa rides his sleigh  
He can please me right away  
With a present that forever will be new

Tell him my poor heart will sink  
[Incomprehensible]  
For all I want for Christmas is you
