Hello there, Merry Christmas, how you been?
Gee, it's so good to talk to you again

It's been a long, long time
Can't explain why you crossed my mind
I guess it's just to wish you a Merry Christmas

My best friend's having a party
And everybody's going
I know it's gonna be a lot of fun
Oh, by the way, it's snowing

It's been a long, long time
Cant' explain why you crossed my mind
I guess it's just to say, "Gee whiz, it's
Christmas"

It's funny that I haven't thought
To call you before
And why is it I haven't seen
You around anymore?

Another year has passed and I can't erase
The memory of your smiling face
So I had to call you up and say
"Gee whiz, it's Christmas"

So don't forget the party that we're throwing
The warm fires from the fireplace will be glowing

It's been a long, long time
I still can't figure out why you crossed my mind
I guess it's just to say, "Gee whiz, it's Christmas"

I'm wishing you a Merry
Have a Merry, Merry Christmas
Gee whiz, have a Merry, Merry, Merry
