No time to lose, no time to lose  
Lord, ain't got no time to lose

I've got to find my man  
Make him understand  
I've got to try and see  
If he'll come back to me

I've got no time, whoa, no time  
No time to lose, no time to lose

I was a fool, I was a fool  
Lord, I was such a poor fool

For I believe in him  
Grieve in him  
I've got to find that guy  
And apologize

I've got no time, whoa, no time  
No time to lose, no time to lose  
No time to lose, no time to lose  
Oh, he was right  
When he told me, he said, ?Woman  
You're gonna miss me when I'm gone?

Tell him I'm sorry  
Tell him I'm sorry, tell him I'm sorry  
Won't somebody please tell him I'm sorry

And if you see my man  
Tell him I'm sorry  
And if he needs me  
Tell him to send for me

I've got no time, whoa, no time  
No time to lose, no time to lose  
I got no time to lose, no time to lose  
Whoa, no time, no time to lose

I got no time to lose, no time to lose  
Whoa, no time, no time to lose

I got no time to lose, no time to lose  
Whoa, no, no
