I don't wanna lose
This good thing baby
That I got if I do, now I would surely
I got to, I got to lose a lot

Oh 'cause your love is better than any love I know
I said, "It's like thunder, glowing like lightning"
Baby the, the way you love me is frightening
I think I better knock, knock, knock, knock, knock, knock
on wood

I'm not superstitious, about what?
About you but I can't take no chance
You got me spinning, spinning baby I'm in a trance
Your love, yes it is better honey I tell you
Is different more than anything I know

I said, "It's like thunder, like lightning
The way you love me is frightening"
I think I better knock, knock, knock, knock, knock, knock
on wood

I don't see that women talking about color to feel my
loving color
You got me seeing she really see that that that that I
can't get enough
Oh, it's just one touch from you baby
You know it means so much

I said, "It's like thunder like lightning
The way you love me is frightening"
I think I better knock, knock, knock, knock, knock, knock
on wood

Knock, knock, knock, knock, knock on wood
I think I better knock, knock, knock on wood
I think I better knock, knock, knock on wood
I think I better knock, knock, knock on wood

I think I better knock, knock, knock on wood
I think I better knock, knock, knock on wood

I think I better knock, knock, knock on wood
I think I better knock, knock, knock on wood
