Where do I go  
Follow the river  
Where do I go  
Follow the gulls

Where is the something  
Where is the someone  
That tells me why  
I live and die

Where do I go  
Follow the children  
Where do I go  
Follow their smiles

Is there an answer  
In their sweet faces  
That tells me why  
I live and die

Follow the wind storm  
Follow the thunder  
Follow the neon  
In young lovers eyes

Down to the gutter  
Up to the glitter  
Into the city  
That's where the truth lies

Where do I go  
Follow my heartbeat  
Where do I go  
Gonna follow my hand

Where will they lead me  
And will I ever  
Discover why I live and die  
I live and die  
Why I live and die  
I live and die

Where do I go (I got to know)  
Where do I go (somebody tell me)  
Where do I go (where can I go)  
Tell me where can I go

Where do I go, oh  
Where do I go  
Where do I go  
Tell me where to go

Oh, I got to know  
Tell me where do I go
