

Johnny Dee "Sittin' In The Balcony"

I'm just sitting in the balcony
Just watching the movie
Or maybe it's a symphony
I wouldn't know

Don't care about the symphonies
Those cymbals and timpanis
Just sitting in the balcony
On the very last row

I hold your hand
I kiss you too
The feature's over
But we're not through

Just sitting in the balcony
Holding hands in the balcony
Just sitting in the balcony
On the very last row

We may stop loving
To watch Bugs Bunny
But he can't take
The place of my honey

Just sitting in the balcony
Just smooching in the balcony
Just sitting in the balcony
On the very last row

Just hugging and kissing
With my baby on the very last row
