The disco lights are burning and all the heads are
Turning, when I'm walking through the door
When the music's pumping, and the girls are jumping
I'll make my way to the dance floor

[Chorus]

Yeah Yeah Yeah Yeah
And everybody's dancing
Come on, yeah everyone's romancing
Yeah Yeah Yeah Yeah
So many hearts are breaking, it's Saturday night
Come on, stop faking - start shaking it

The Dj's kind of old school, he keeps it coming so cool
Like Hendrix did on his guitar
All my moves are brand new, I practise every night to
Become the Disco superstar

[Chorus]

Yeah Yeah Yeah Yeah
And everybody's dancing
Come on, yeah everyone's romancing
Yeah Yeah Yeah Yeah
So many hearts are breaking, it's Saturday night
Come on, stop faking - start shaking it

It's about time to get down - D-I-S-C-O - disco

[Chorus]

Everybody's dancing
Come on, yeah everyone's romancing
Yeah Yeah Yeah Yeah,
so many hearts are breaking, it's Saturday night
Come on, stop faking
Yeah Yeah Yeah Yeah,
And everybody's dancing - it's Saturday night
Come on, stop faking - start shaking it
