Open up the door and let me in  
Baby it ain't no sin  
Gonna be your lover  
No thunder or lightning can stop me now  
No one can take me down  
Gonna be your lover  
Lets spend a little time  
It ain't no crime  
It's loving that matters  
Let me lay it on the line  
There's not a man alive  
With love as justified  
And I'm gonna make you believe it  
There's not a man alive  
Whose will to satisfy

Is as strong as the will in me  
Just you wait and see

Don't break my heart and I'll let you see  
You'll get the best of me  
Gonna be your lover  
Just give it a chance  
Let love make a stand  
It'll all come together  
It's a part of the plan

I know you're lost in confusion  
I'll be the light that'll make you see  
You know it ain't no illusion  
You gotta give it to me
