The way you wear your hat
The way you sip your tea
The mem'ry of all that, no, no
They can't take that away from me

The way your smile just beams
The way you sing off key
The way you haunt my dreams, no, no
They can't take that away from me

We can never, never meet again
On the bumpy road to love
Still I'll always, always keep the mem'ry of

The way you hold your knife
The way we danced 'til three
The way you changed my life, no, no
They can't take that away from me

No, they can't take that away from me
