I said hello  
My it's been such a long time  
You said yes it has  
It's been a year or more  
Then you smiled and asked about my wife and family  
I said Johnny's six and Judy's almost four

(CHORUS)

But I was thinkin'  
How I'd love to get you alone for one hour  
Down at the family inn like we used to do

We kept talking like nothing ever happened  
But I was making small talk thinkin' of a rendezvous

You said are you still working down at the factory

I said 'Yes I am'  
Guess I'll be there 'til I die  
You asked me if I still went down to Joe's place  
I said 'Yes I do but its been a long long time'

(CHORUS)

And you said gotta go  
Sure been nice to see you  
But I told Jack that I'd be home by nine  
I said 'By the way, tell him I said hello  
And we'll all have to get together sometime

(CHORUS)
