On a perfect day, I know that I can count on you  
When that's not possible, tell me, can you weather a  
storm?

'Cause I need somebody who will stand by me  
Through the good times and bad times  
She would always, always be right there

Sunny days, everybody loves them  
Tell me, baby, can you stand the rain?  
Storms will come, this we know for sure  
Can you stand the rain?

Love unconditional, I'm not asking just of you  
We've got to make it last, I'll do whatever needs to be  
done

But I need somebody who will stand by me  
When it's tough, she won't run  
She will always be right there for me

Sunny days, everybody loves them  
Tell me, baby, can you stand the rain?  
Storms will come, this we know for sure  
Can you stand the rain?

Can you stand the rain?  
Can you stand the rain?

No pressure  
No pressure from me, baby  
'Cause I want you  
And I need you  
And I love you  
Will you be there for me?

Come on, baby, let's go get wet

Can you stand the rain?  
Can you stand the rain?  
Can you stand the rain?
