Ooh...ooh...  
Oh...oh...oh...  
Oh...oh...yeah, yeah  
Giving my all to you (Yeah)  
Nothing else will do (Yeah, whoa, yeah)  
Giving my all to you today  
I wanna know (I wanna know) if you love me that way (If  
you love me that way)  
Sometimes I feel  
I don't know  
Which is up  
Or which is down  
You make me feel  
Like you're not for real  
You play with my emotions  
But I can't let you go  
I've got this love burnin deep down inside of me  
Tellin me that I should believe everything that you say  
It's so hard to live a life with somebody day in, day out  
I've got to know the truth  
I can't be, I can't be just wastin my time, so I'll be  
Giving my all to you (Yes, I will)  
Nothing else will do (Nothing else will do, I'll be)  
Giving my all to you today (You today)  
I wanna know if you love me that way  
Giving my all to you (Giving my all)  
Nothing else will do (Nothing else will do)  
Giving my all to you today (Oh)  
I wanna know if you love me that way  
I'll make the moves  
So you can see  
How I wanna give my body  
Desperately  
This love is real  
And I'll make it known  
If we were made for each other  
This feeling can't be wrong  
So baby, be sure you want me with you tonight  
Cause I have no intention of being with someone else  
I'm waiting for you, baby, come to me  
I'll be the best to you  
No one, no one can do the things that I'll do

Giving my all to you (Yeah...I)  
Nothing else will do (No one, no one)  
Giving my all to you today  
I wanna know (I wanna know ) if you love me that way  
(If you love me that way, love me)  
Giving my all to you (I...I...I...)  
Nothing else will do (I know nothing in this whole wide  
world)-acapo
