I'm Sorry
Ric Wyatt, Jr

I must have been crazy
To let a girl like you just walk away
I know I should pick up the phone
But it's so hard for a man to say

I'm sorry for each tear you cried
Every time I lied to your face
I'm sorry that I played around
Girl I've let you down and I'm ashamed
Hmhmhmhm, hmhmhmhm

Girl who am I fooling
I'll never find another love like you
My heart won't let me rest
Until I get you back and tell you the truth

I'm sorry for each tear you cried
Every time I lied to your face
I'm sorry that I played around
I know I've let you down, I'm ashamed

Ohhhh, I'm sorry baby
That I hurt you
Oh my baby, oh my baby, ohhh

And I'm sorry for each tear you cried
Every time I lied to your face
I'm sorry, why'd I play around
I know I've let you down and I'm ashamed

And I'm sorry for each tear you cried
Ohhhh, every time I lied to your face
I'm sorry, why'd I play around
I know I've let you down and I'm ashamed

Ohhh, all night long I think of you
And all the things we used to do
And I'm sorry

Yeah, baby
I'm
And I'm sorry, baby
I didn't mean to hurt you baby
