IT WOULD BE YOU - Johnny Gill

Lyrics by Vicki E. Price, Tally

Listen. Pinch me if Im dreaming
As a matter of fact, I take that back
Let me lay there€¦.. inside of your love
Listening to your heartbeat
Girl aint no feeling better than feeling on your body
Girl don't you know I miss (?) ya€¦..I just wanna touch
ya
If you ever took your love away
I can truly say I'd die right here today
Don't give me the world I just want my girl
If I could have anything, I'd put it on everything
that it would be you you you you
I just want you u u

" (3 lines)

You are my love and my love for you girl
Is all that I need if I had nothing more
Than our love, I'd be just fine with our love
Your shoes cant be filled they cannot wear your heel
The truth is in you girl theres nothing else real than our
love
I'll be just fine with our love
Woman if you took your love away
Then I could truly say Id die right here today
Don't give me the world I just want my girl

Chorus:

If I could have anything, I'd put it on everything
that it would be you you you you
I just want you u u

Repeat Chorus (3 lines)

Now what would I do, where would I be?
If there was no you, there'd be no meeee
Now think about that girl
Ohhhhhhhhhhhhh oh yeah

What would I do where would I be
If there was no you there would be no me
Now think about that girl think think think

Repeat Chorus (3 lines)
