Two hearts
Together we're a harmony so right
Two sparks
United we're a fire burning bright

For as you're
Always brand new
Right from the jump
We had a hunch
And we had everything

**Perfect Combination
Lovers you and me
A Perfect Combination
We couldn't ask for any better
Perfect combination
We fit to a tee
A perfect combination
We know what makes it last forever
Together

So deep
Inside we share a feeling that's so rare
So sweet
Just knowing that we are a special pair

We're right on time
We're two of a kind
'coz heaven knows
This love will grow
Stronger everyday

Repeat **

We can conquer any mountain
Just as long as we're together
'coz as one we are an endless fountain
Overflowing with love
Perfect love

Repeat **
