Show Her Love
Ric Wyatt, Jr

Show her love
Don't be scared of making up
It hurts to know you made her cry
You know you should apologize
You can't let someone take your place
Don't wait
Be a man and show her love

Show her love
Be the one she's dreaming of
Just be a friend who understands
Then gently take her by the hand
And say you missed her very much
Don't rush
Take your time and show her love

If you want to keep your girl
You'd better treat her right

Show her love
Make her feel so wonderful
Just kiss those tears right off her face
Look in her eyes and say her name
Then hold her in your arms so tight
Tonight
Take your girl and show her love
