The way you touch, mmm
The way you kiss, ah yeah
Girl you know, you know
I'm in, I'm into this, alright

And girl you know, mmm
Just what to do, ah yeah
How and where and when to make
To make a move

Baby you know that I will do anything
And ev'rything for you baby
I lose all self control with you
'Cause I can't help myself
You're like nobody else
What can I do?

There U go again
(There U go, there U go, there U go)
And here I come
(Here I come, here I come, here I come)
Right back in your bed
(In your bed, in your bed, in your bed)
Makin' love
(Make sweet love girl once again, oh)

Here it is baby
Do anything that you wanna do
Work it now baby
I wanna work it back on you, oh

Give it here baby
I wanna spend the night in you
Move it, move it, do it
Make it smooth baby

Baby you know
You need only touch me girl
And I'm a slave for you, yeah
And I lose all self control
And I do what I do 'cause I'm so into you
I can't let go

There U go again
(There U go, there U go, there U go)
And here I come
(Here I come, here I come, here I come)
Right back in your bed
(In your bed, in your bed, in your bed)
Makin' love
(Make sweet love girl once again, oh)

There U go again
(There U go, there U go, there U go)
And here I come
(Here I come, here I come, here I come)
Right back in your bed
(In your bed, in your bed, in your bed)
Makin' love
(Make sweet love girl once again, oh)

I lose my self control with you
'Cause I do what I do 'cause I'm so into you
I can't let go

There U go again
(There U go, there U go, there U go)
And here I come
(Here I come, here I come, here I come)
Right back in your bed
(In your bed, in your bed, in your bed)
Makin' love
(Make sweet love girl once again, oh)

There U go again
(There U go, there U go, there U go)
And here I come
(Here I come, here I come, here I come)
Right back in your bed
(In your bed, in your bed, in your bed)
Makin' love
(Make sweet love girl once again, oh)
