When Something is Wrong with My Baby
by Isaac Hayes and David Porter

When something is wrong with my baby, well, well
Something is wrong with me
And if I know she's worried
Then I would feel that same misery
We've been through so much together
We've been as one and that's what makes it better

When something is wrong with my baby
Something is wrong with me

Just what she means to me now
Oh you just wouldn't, you just wouldn't understand
People can't say she's no good
But, oh, she's my woman and I know I'm her man
And if she's got a problem
I, oh, I, I know, I know I've got to help her solve them

When something is wrong with my baby
Something is wrong with me
Oh, oh, when something is wrong with my baby
Something is wrong with me, oh, oh
When something is wrong with my baby
Something is wrong with me, oh, oh
When something is wrong with my baby
Something is wrong with me, yeah
