"Just Out Of Reach"

Love that runs away from me dreams that just won't let
me be

Blues that keep on bothering me chains that just won't
set me free

Too far away from you and all your charms just out of
reach of my two empty arms

Each night in dreams I see your face mem'ries time
cannot erase

Then I awake and find you gone I'm so blue and all
alone

So far away from lips so sweet and warm just out of
reach of my two empty arms

That lonesome feeling all the time knowing you cannot
be mine

Dreams that hurt me in my sleep vows that we could
never keep

So far away from lips so sweet and warm just out of
reach of my two empty arms
