Hey stop the world and let me off I'm tired of going  
round and round  
I've played the game of love and lost so stop the world  
and let me off

My dreams are shattered can't you see cause you no  
longer care for me  
But someday I'm sure you'll see loving you did best to  
me  
Hey stop the world and let me off...  
[ ac.guitar ]  
My dream world tumbled to the ground the one I love  
has let me down  
I've lost the wonder of her kiss how could she leave me  
here like this  
Hey stop the world and let me off...  
So stop the world and let me off
