Take a letter Miss Gray it must go out today
And I know you already know what it's gonna say
It's to the one I'm tied to the one I'm leaving for you
Tell her that it's all over and I can't help what I've done
Make it straight and to the point there's no use lying
that won't do
Make three copies one for her one for me and one for
you
And just sign it simply John you can tell her you're the
one
And oh yes PS please forgive what I've done
[piano]
Make it straight...
