Wishing I could see you again, dear  
That the fire of love would burn once more  
But I guess that's wishful thinking  
And too much to be wishing for

Just thinking how you once kissed me  
Wishing that hadn't meant goodbye  
But I guess that's wishful thinking  
Now I know why some people cry

I'll just live my life in dreams  
And long for your love  
It's you I'm wishing for  
And it's you I'm thinking of

My heart echoes the love words you've spoken  
How I wish I could hear them from you  
Please make my wishful thinking come true
