Well I woke up today with such an aching head
Suddenly remembered just what it was she said
She said yeah I want you but I've been hurt before
Baby I believe you
But I need to be sure, you know I have to be
Cause I have the casualty of love

I went by to see her to try to explain
I told her that I loved her
I wouldn't cause her any pain, oh ! That's not my game
Cause I have the casualty of love

Oh ! we could make it better now, it's not easy gonna
tell you how
All you need is a little trust, a little time and we won't be

Oh ! Oh ! Casualty of love, we got a heart to express
How can you be happy, if you have nothing left
So don't fool yourself, I don't have nobody else
Oh ! Casualty of love

We could make it better now, it's not easy gonna tell
you how
All you need is a little trust, a little time and you just be

Oh ! Oh ! Casualty of love and you'll be just like me
Feeling sad and lonely, pretending to be free
Well I woke up today with such an aching head
Suddenly remembered just what it was she said.
