You ain't nothing but a hound dog, lying all the time  
You ain't nothing but a hound dog, lying all the time  
Well you ain't never gonna lovin' and you ain't no friend  
of mine

When I said you was high-class, well that was just a lie  
When I said you was high-class, well that was just a lie  
Well you ain't never gonna lovin' and you ain't no friend  
of mine

When I said you was high-class, well that was just a lie  
When I said you was high-class, well that was just a lie  
Well you ain't never gonna lovin' and you ain't no friend  
of mine

You ain't nothing but a hound dog, lying all the time  
You ain't nothing but a hound dog, lying all the time  
Well you ain't never gonna lovin' and you ain't no friend  
of mine

When I said you was high-class, well that was just a lie  
When I said you was high-class, well that was just a lie  
Well you ain't never gonna lovin' and you ain't no friend  
of mine

You ain't nothing but a hound dog, lying all the time  
You ain't nothing but a hound dog, lying all the time  
Well you ain't never gonna lovin' and you ain't no friend  
of mine.
