(Jerry Lynn Williams)

How can I explain this feeling that's true
Honey I can't hardly stand it, I wanna make love to you

When the stars fall from the heavens
And the rivers have stopped their flow
If you'd just stop and talk to me, honey that's when I'd
know

I ain't gonna try to tell you how it's made me so blue
Sitting alone and wondering, I wanna make love to you

Please stop and tell me, tell me you want me too
Oh ! Come on baby, I wanna make love to you

I wanna make love to you, I wanna make love to you
I wanna make love to you, I wanna make love to you
Oh ! I wanna make love to you, I wanna make love to
you

I wanna make love to you, I wanna make love to you
I wanna make love to you.
