In my home in Shelby County, down there 'n Memphis
Tennessee
She's a hundred pound of sugar, a-waiting there for
me
The one I picked from love's boat kept to raise our
fam'ly tree
In my home in Shelby County, down there 'n Memphis
Tennessee

I love it in the summertime, I love it in the spring
I love it in the wintertime, or what the seasons bring
In my home in Shelby County, we're as happy as can be
Honeysuckle 'round the door, magnolia trees
Flowers blooming ev'rywhere, sway gently in the
breeze
'Round my home in Shelby County, down there 'n
Memphis Tennessee
