"Sink The Bismarck"

In May of 1941 the war had just begun
The Germans had the biggest ship that had the biggest
guns
The Bismarck was the fastest ship that ever sailed the
sea
On her decks were guns as big as steers and shells as
big as trees

Out of the cold and foggy night came the British ship
the Hood
And every British seaman he knew and understood
They had to sink the Bismarck the terror of the sea
Stop those guns as big as steers and those shells as
big as trees
We'll find the German battleship that's makin' such a
fuss
We gotta sink the Bismarck cause the world depends
on us
Yeah hit the decks a runnin' boys and spin those guns
around
When we find the Bismarck we gotta cut her down
[ac.guitar]
The Hood found the Bismarck and on that fatal day
The Bismarck started firing fifteen miles away
We gotta sink the Bismarck was the battle sound
But when the smoke had cleared away the mighty
Hood went down
For six long days and weary nights they tried to find
her trail
Churchill told the people put every ship asail
Cause somewhere on that ocean I know she's gotta be
We gotta sink the Bismarck to the bottom of the sea
We'll find the German battleship...
[ac.guitar]
The fog was gone the seventh day and they saw the
morning sun
Ten hours away from homeland the Bismarck made it's
run
The Admiral of the British fleet said turn those bows
around
We found that German battleship and we're gonna cut

her down
The British guns were aimed and the shells were
coming fast
The first shell hit the Bismarck they knew she couldn't
last
That mighty German battleship is just a memory
Sink the Bismarck was the battle cry that shook the
seven seas
We found the German battleship t'was makin' such a
fuss
We had to sink the Bismarck cause the world depends
on us
We hit the deck a runnin' and we and spun those guns
around
Yeah we found the mighty Bismarck and then we cut
her down
We found the German battleship...
