There's a big bright moon above
And the night's just made for love
Baby, I'm ready if you're willin'
If that twinkle in your eye
Is a-darin' me to try
Baby, I'm ready if you're willing

Baby, can't you see I'm a-waitin'
For you to make up your mind?
There's no use in hesatatin'
Can't you see we're wastin' time?
Don't ya think that love is grand?
Let me be your lover man
Baby, I'm ready if you're willin'

I like the way ya smile
Would ya like to spoon awhile?
Baby, I'm ready if you're willin'
And I like the way you kiss
Oh, let's go on like this
Baby, I'm ready if you're willin'

Baby, can't ya see I'm a-waitin'
For you to make up your mind?
There's no use in hesatatin'
Can't you see we're wastin' time?
Don't ya think that love is grand?
Let me be your lover man
Baby, I'm ready if you're willin'

Baby, can't ya see I'm a-waitin'
For you to make up your mind?
There's no use in hesatatin'
Can't you see we're wastin' time?
Don't ya think that love is grand?
Let me be your lover man
Baby, I'm ready if you're willin'
