Have mercy on my eyes  
Lady, whatcha wearin now?  
You know it's a crime  
The way you look in clothes  
Girl you take the prize  
Five foot five and dressed to kill  
Strike my fancy every time  
You strike a pose

There's one more outfit  
That I aint seen yet  
One more outfit  
That looks great I bet

Chorus  
I bet you sure look cute  
In your birthday suit  
I bet you sure look cute  
In your birthday suit  
Youve got your best feature  
Straight from Mother Nature  
I bet you sure look cute  
In your birthday suit

Got so many clothes  
You got satin, you got lace  
You got things from head to toe  
That make you look so hot  
Don't have to pick and choose  
You don't have to shop around  
I don't think you really know  
What you already got

There's one more outfit  
That you can't forget  
One more outfit  
That looks great I bet!

Chorus

Flash that smile and work that hair  
Give it all youve got

When the photographer starts to shoot  
Make sure you're wearing your birthday suit
