Went partyin' the other night.
started drinkin' and got real tight.
We was playin' with all our friends.
Felt so good we had to play it again.

Hey bartender.
(hey bartender).
Hey man, look-a-here.
(hey bartender).
Draw one, draw two, draw three more glasses of beer!

Well, she was sittin' down at the end.
I said, "Hey, baby can we be friends?
You look as sweet as can be.
Come on down and drink with me!"

Hey bartender.
(hey bartender).
Hey man.
(hey bartender).
Draw one, draw two, draw three more glasses of beer!
INSTRUMENTAL=====

We was havin' so muck fun.
I didn't notice it was half past one.
I turned around to have one more.
I looked at the clock and it was half past four.

Hey bartender.
(hey bartender).
Hey man, look-a-here.
(hey bartender).
Draw one, draw two, draw three more glasses of beer!

Well, the jukebox was playin' everything.
Everybody was beginning to sing.
Thats when i heard somebody call.
Last call, for alchohol!

Hey bartender.
(hey bartender).

Hey man.
(hey bartender).
Hey bartender
Draw one, draw two, draw three more glasses of beer!
