This time, we're really breakin' up  
This time, we've said way too much  
This time's for all the times  
How about this time?

This time, there'll be no goodnight kiss  
This time it's forever  
This time I find that I'm  
Really losin' you

My heart is broken now  
It really doesn't matter anyhow  
Now that you've gone away  
I only live from day to day

This time, there'll be no goodnight kiss  
This time it's forever  
This time I find that I'm  
Really losin' you

This time, we're really breakin' up  
This time, we've said way too much  
This time I find that I'm  
Really losin' you
