When the mist's a-rising and the rain is falling and the
wind is blowing cold across the moor, I hear the voice
of my darlin', the girl I loved and lost a year ago
(Johnny remember me)

Well, it's hard to believe, I know, but I hear her singing
in the sighing of the wind blowin' in the tree tops way
above me

(Johnny remember me)

Yes, I'll always remember

'Til the day I die I'll hear her cry, "Johnny remember
me"

Well, some day I guess I'll find myself another little girl
to take the place of my true love

But as long as I live I know I'll hear her singing in the
sighing of the wind blowin' in the tree tops way above
me

(Johnny remember me)

Yes, I'll always remember

'Til the day I die I'll hear her cry, "Oh Johnny, remember
me"

(Johnny remember me)
