Sarah's lonely reflection
close to making connections
She's running away
Sarah's hiding rejection
She dreams of nothing but deception
a brighter new day

Sarah's at the window
pretending not to cry
staring at a rainbow
and clouds that pass her by

No one knows her pain
Her tears are lost behind the rain
Secrets of the heart
She says they're a part of the price of love

It's no surprise after all the lies
that something's died in Sarah's sad blue eyes
Yeah Sarah, sweeter than morning hold on,
another day is dawning
It's a brighter new day

Sarah's at the window
although her eyes are red
promising tomorrow to the demons in her head

Sarah, don't cry
