With The Coeds

Since you gave your love to me
I've never been so happy
The day you came I changed my name to Mister
Happiness

They used to call me Mister Blue
That was until I met you
Now I'm glad, never sad
I'm Mister Happiness

I walk around with my head in the clouds
And a great big smile on my face
I love you so I want to shout it out loud
I'm the luckiest guy
In the human race, so

Kiss me darling
Just once more
Say I'm the one you adore
No more tears will I cry
Since you're my girl
And I'm your guy
I'm Mister Happiness

The day you came I changed my name to Mister
Happiness

I walk around with my head in the clouds
And a great big smile on my face
I love you so I want to shout it out loud
I'm the luckiest guy
In the human race, so

Kiss me darling
Just once more
Say I'm the one you adore
No more tears will I cry
Since you're my girl
And I'm your guy
I'm Mister Happiness
