Well friends

Since I was a young boy I had to boogie

Don't ask me why I do it, wow wow wow

I'd come home late and my mom would be waiting

Said 'boy what you been doing'

Wow wow wow

Shut up and sit down there

Now me and the boys had been out

Been havin a good time

We like to boogie mama, boogie mama

I stay out late, wow wow wow - yeah

I get disappointed when I gotta turn off

The night is young

Like to boogie mama, boogie mama

I take the guitar out from under the bed

Wow wow wow

I take the thing out, and throw it around

I like to boogie mama, boogie mama

Now play that guitar, wow

(Look at him go)

Wow wow wow

One more time

Boogie

Faster

Faster

Yeah

I like it

Hold it right there

Watch me

Watch me

(That was great, except for one thing: the drums
slowed down.

Now this is my band you know, and... you did slow
down, didn't you?

Yeah, I didn't think you'd notice it - I'll try and do better next time.)
